FAQ

- Can I visualize the others offers?
 No, in this case, this is one shot, you will only make one offer and non of the participants can visualize the number, the module bidding will close automatically..
- 2. Can I make my offer at the last minute ?

NO the recomendation is that you take your time and make it as soon as you get the complete information, is important to take in account that the time to save the offer muy vary on the internet connection, so the recommendation is to make your offer with anticipation. The suggestion is that al least 1 hour before the closing time you make the offer, so that if you have an inconvenient the technical support can help before you get disqualifed.

IMPORTANT NOTE

This system manage an inactivy time of 10 minutes, so is important to refresh your session by clicking in the button **Keep session alive** when it appears in the browser.
